Road Safety

Welcome back. As discussed before the holidays, please ensure that you and your children are safe on the roads. We will expect all young children to be holding hands with a responsible person as they come through the school gates.

Skipping Workshops

On 11th and 18th November, all children will be taking part in a skipping workshop. We have run this before and we are repeating the activity by request of some of our children as skipping is a very popular activity amongst our children. There will be an opportunity for the children to purchase a skipping rope for £4. Further details will follow.

Thank you for your support,

Sarah Bell
