Purple Mash

In school we use a computer programme called Purple Mash. It covers all curriculum areas with learning for children from Y1 – Y6. Children should all know their password and can access this learning at home too.

There is a parent/carer sessions on Tuesday 6th March from 2.45 – 3.15 for parents so that you can be familiar with Purple Mash and the variety of learning available. It would be really useful for parents/carers to attend.

Reedley Wraparound Care Club

Please remember that you need to **book in advance** if you wish for your child to attend breakfast club or afterschool club. Please use this link.

REUSE BOOK DAY!

It is World Book Day on the 7th of March and the Eco Council would like to set up an event to mark the occasion. As we are passionate about the environment, they have decided to REUSE books!

We would like children to bring in any books from home that they have now outgrown.

We will then resell these books to other children for 50p per book. Children that donate a book to be reused will get first choice when choosing a new one to take home.

The books donated could be fiction, non-fiction, comics, joke books or even annuals. They should be suitable for school age children and of an acceptable quality.

In our last School and Eco Council meeting we discussed what we would spend the money we raise on and it was agreed that we would enhance our reading corners in each class with some new books chosen by us.

Please bring your books in to school anytime from Monday 4th March until World Book day on Thursday 7th March. We will then be reselling these on Friday 8th March for 50p each.

We can't wait to see how many books get brought in!

Thank you

The Eco-Council
