Dear Parents/Carers,

Please some events that are taking place from the Lancashire Family Hubs over the summer.

### Summer Holiday

School will close at 1.30pm on Wednesday 23<sup>rd</sup> July. School will reopen to pupils on Tuesday 2<sup>nd</sup> September

### Breakfast Club

From September there will some changes to the current breakfast club provision. The current providers are no longer able to continue to run the club, due to such low numbers.

From September, the club will be run by school staff.

The club will run from 8am to 8.40am daily.

The cost will be £3 per child, per session.

The same charge will apply whether children arrive for the full session or part of a session.

The children will be offered a snack to eat and there will be activities to take part in.

Families will need to book sessions in advance and pay online on the School Spider app.

Bookings will open towards the end of the summer holiday and the club will operate from Tuesday 2<sup>nd</sup> September.

### Punctuality

Specifically we are looking for:

- Board games
- Any Orchard Toy games such as bingo, matching pairs etc

### Summer Book Boost

Mrs Gorrell has asked me to share this opportunity for children to take part in some very exciting events over the summer. Adults just need to scan the QR code and enter an email address to receive exciting activities about books and authors. Reading Rocks is a great company. We get regular books from them throughout the year and it brings so much joy to the children when they see the new books that have been sent.

*'Children who choose to read regularly are more likely to have better job prospects, higher earnings and stronger social skills later in life.'* (The Reading Agency, 2015)

## The Summer Book Boost

Here's one super simple, super impactful thing you can do to keep your pupils reading, imagining, and engaging all summer long:

It's designed for ALL readers aged 7-11 – from bookworms to the "I-don't-like-reading" crew – and best of all, you don't need to do much at all.

Here's how it works:

- ✓ Share the link in your school newsletter, on Class Dojo, your school socials – even WhatsApp groups!
- ✓ Parents just enter their email address – that's it!
- ✓ Over the holidays, we'll send them 6 weekly emails packed with:

- Short, snappy videos from authors
- A free reading extract to dive into
- Fun, creative activities to keep engagement high

While you're recharging this summer, we'll be keeping the reading buzz alive – so your pupils return in September fired up and full of book chat. 📖🔥
