Recent Events

Author Grandad Wheels visited school on Monday 6th October. Many children bought books, with all profits going to charity. We raised £270 for charity on this occasion. Grandad Wheels said that if we add this to what we have raised previously, our school has raised £988 for charity – the highest amount that Grandad Wheels has raised since he started his charity work!

Behaviour Around School

Our children demonstrate really good behaviour for most of the time and we are really proud of them for this. Unfortunately however, some children have been seen playing with 'bang snap' poppers outside school and throwing them at each other and jumping into the road. Children under 16 should not have these items. Please can you check what your child is buying from shops.

In addition to this, they must pay attention to the road and not put themselves in danger. Again, please can you speak to your children to ensure they are fully aware of the dangers of being beside roads.

The vast majority of children show that they are safe and responsible.
