Plea for reading and library books to be returned.

Dear Parent/Carer,

We are currently experiencing a shortage of reading books and library books in school.

We ask that you check in your homes for any books that belong to Reedley Primary School as some books were not returned to school before lockdown in March.

We will be going through our library records and children will be receiving a letter with the name of the book that they borrowed. There will be a £5 fine for books that are not returned to school so that we can buy a replacement.

Previous class teachers have a record of which child was using which reading book and this will also be followed up.

We would appreciate all reading books and library books to be returned to school as soon as possible.

Thank you for your continued support,

Mrs Gorrell
